To whom it may concern:

Film Independent is a non-profit organization that produces the Film Independent Spirit Awards, recognizing the finest achievements of American independent filmmakers, Film Independent Presents, a year-round program offering screenings, conversations and other unique cinematic experiences including the acclaimed Live Read series.

Our Artist Development programs provide labs for selected writers, directors, producers and documentary filmmakers and offer year-round networking opportunities. Project Involve is our signature program dedicated to fostering the careers of talented filmmakers from communities traditionally underrepresented in the film industry.

We also award a number of grants to filmmakers all year long. Recently, we partnered with Children's Institute in awarding a filmmaker a grant to create a PSA for their organization. This project has no commercial purpose and Film Independent and Children's Institute retains ownership and all the rights to the short film.

Mary-Lynn Chambers is a talented filmmaker who participated in our Project Involve Program and she has been awarded the grant. Any assistance you can provide to her will significantly impact the project.

Her project is titled *What If* and will be filmed May 12 and May 18. Glix Entertainment is the production company producing the project.

Film Independent gratefully accepts the support you are giving to this talented filmmaker.

If you have any questions, please feel free to call or contact me via email.
